2014-15 FCCLA National President

Laura Taylor

Strasburg High School
Shenandoah County
Laura Taylor made history for Virginia FCCLA! Her election as national president marks the **first** time Virginia has had a candidate elected to that highest office for two consecutive years! She was installed by Brian Will, and follows him as the **fourth** Virginia member to hold that office in our 70-year history.
We congratulate Brian on the outstanding leadership he provided as the 2013-14 national president. The NEC planned and delivered a dynamic conference!
